- In a grand initiative to promote inter-school sportsmanship, Happy Model School hosted the much-awaited Kashi Champions League, a two-day mega sports festival. The event drew participation from over 2500 students belonging to different schools across Varanasi district.
- More than 10 indoor and outdoor games were organized during the event. The atmosphere was charged with enthusiasm as students participated with immense joy and great zeal, reflecting the spirit of unity and healthy competition.
- Happy Model School was privileged to host key segments of the CBSE Cluster V – 2024, organizing two major tournaments: Table Tennis and Kho-Kho.
- Welcoming over 600 student players, the school successfully managed both accommodation and tournament logistics within the campus. Matches were conducted professionally, and the level of skill displayed by participants was commendable.
- This event saw a tremendous turnout with more than 1200 students participating and staying on campus. The matches were full of energy and competitiveness, with the grounds alive with cheers and team spirit.

- The school also organized the HMS Cricket Cup, an exciting inter-branch cricket competition exclusively for students up to Class 8. This initiative aimed to encourage teamwork, discipline, and early sportsmanship among younger students.

Matches were played with high enthusiasm, and students got a chance to experience the thrill of competition in a well-organized, knock out format.. The tournament not only enhanced their cricketing skills but also strengthened inter-branch unity and school spirit.

### **Cultural Achievements:-**

Our students have participated in many cultural programmes and shown their talents and skills in this field too and rewarded and awarded with many certificates and trophies. Day by day, students are fetching unexpected and astonishing performance and proving their metal. We are promoting music, dance and art forms and skills.

### **Science Exhibition & STEAM Activities (2024–25):-**

In a proud tribute to the anniversary of Chandrayaan-3's historic voyage, Happy Model School, Varanasi organized an inter-school science exhibition competition titled "The Chandrayaan Odyssey". The event aimed to ignite scientific curiosity and celebrate India's achievements in space exploration.

Over 35 schools from across the region participated in this event. The competition was held in two categories:

- Senior Group: Classes 9 to 12
- Junior Group: Classes 6 to 8

Students showcased innovative science models, experiments, and ideas related to space, sustainability, and technology, reflecting their creativity and understanding of real-world scientific challenges.

To further promote STEAM education (Science, Technology, Engineering, Arts, and Mathematics), School formed **Eco Club**. Also, the school regularly conducts:

- Class-level and school-level science quizzes
- Model making competitions
- Hands-on activities and projects

These initiatives provide students with opportunities to think critically, collaborate, and apply classroom knowledge in practical settings.

School also conducts Olympiad on regular basis. Students have shown their splendid performances in subjects like Mathematics, Science and English etc.

### **Educational Excursions :-**

At Happy Model School, we believe that learning should extend beyond the four walls of the classroom. In line with this vision, the **Yuva Tourism Club and Heritage Club**, led by our enthusiastic students, regularly organizes educational trips and excursions to provide learners with real-world experiences and a broader perspective on various aspects of life, history, business, and financial literacy.

Over the academic year, students had the opportunity to visit several enriching places:

- Bharat Kala Mandir, Varanasi – to explore India’s rich cultural and artistic heritage.
- Sarnath Museum – to gain insights into ancient Indian history and Buddhism.
- IIVR (Indian Institute of Vegetable Research) – to learn about agricultural innovations and sustainable practices.
- Parag Dairy Factory – to understand the process of dairy production and the business model behind it.
- Amar Ujala Press – to witness the functioning of a modern printing press and understand media literacy.

These trips were not only educational but also instrumental in shaping students’ analytical thinking, curiosity, and understanding of real-life systems. By visiting historical sites, research institutes, factories, and press centers, students could connect theoretical knowledge with practical application.

We proudly acknowledge the efforts of the Yuva Tourism Club and Heritage Club for taking initiative, planning logistics, and ensuring the success of these excursions. Through such experiences, Happy Model School continues to nurture well-rounded, globally-aware, and inquisitive learners prepared to meet the challenges of tomorrow.

### **Student Counseling & Teacher Workshops (2024–25)**

At Happy Model School, Varanasi, we prioritize not just academic excellence but also the mental and emotional well-being of our students. The school has a dedicated School Counselor who works closely with students to help them overcome fears, manage stress, and support their psychological and emotional

growth. Regular one-on-one sessions, group discussions, and wellness programs are conducted to ensure a safe and supportive environment.

In addition, the school organizes teacher training workshops at regular intervals to enhance professional development. These include:

- Classroom management and student engagement sessions
- Strengthening Assessment & Evaluation Practices
- POCSO (Protection of Children from Sexual Offences) awareness sessions
- Mental health sensitization workshops
- Financial Literacy

These initiatives ensure that both students and teachers are empowered, aware, and equipped to create a healthy, nurturing learning space.

### **Teachers as a Resource:-**

At Happy Model School, our teachers are not just educators but valuable academic resources who contribute significantly to the larger educational ecosystem.

Our faculty members are well-trained, highly experienced, and regularly participate in prestigious roles beyond the classroom. They are appointed as Spot Evaluators and Heads of Spot Evaluation for both AISSE and AISSCE examinations, ensuring fair and accurate assessment processes.

In addition, many of our teachers serve as Subject Experts, Practical Examiners, and Observers, reflecting their subject mastery and commitment to quality education.

We take immense pride in our Principal, Mr. Pravish Kumar Singh, who is a recognized Resource Person under CBSE COE Prayagraj, guiding and training educators across the region.

This active involvement highlights the school's dedication to academic excellence and leadership in education.

### **Social Welfare:-**

- Supporting Govt. in natural disasters.
- Donating for Cancer Patients by students under Seva Sankalp
- RTE Students.
- Charity to Orphanage & Old age Homes.
- Promotion of trees & green environment.
- Donation of books to smaller schools.

On World Environment Day 2024, students of Happy Model School participated in a plantation drive within the school premises, promoting a greener tomorrow.

As part of the Euphoria 2025 summer fest, the school also hosted a unique Eco Ramp Walk Competition with the theme "Save Earth". Students showcased creative outfits made from reusable and recyclable materials, working in teams with defined roles like Model, Designer, and Material Incharge.

The event blended fashion with sustainability, inspiring students to embrace eco-friendly practices through innovation and teamwork.
